Ending Gospel poverty

starts with Jesus

Message from the Chairman of Haggai Alumni Malaysia Berhad

Beloved Haggai Alumni and Partners in the Gospel,

We give thanks to God for His gracious hand over the years of growth in our national ministry.

At the recent AGM, we witnessed a historic step forward as the house unanimously agreed to the formation and migration of the ministry's activities into Haggai Alumni Malaysia Berhad (HAMB). This provides us with a stronger and more efficient platform to serve the future needs of Haggai ministry in Malaysia.

At the recent Haggai-initiated Kingdom Alliance gathering, key leaders from the Christian education system, Christian leaders, bishops, and marketplace leaders heard a passionate call to bring the gospel to the nation through education. A common voice arose—a united plea to bring this gigantic task before our Lord in prayer and possibly more coordinated partnerships.

As Chairman, I count it a privilege to serve with our National President and the Board in this journey. Our mandate is to align more effectively with the pressing needs of our nation so that we may contribute meaningfully to the great call of ending Gospel poverty.

Many of our alumni have been strategically placed by God in key networks across East and West Malaysia. It is our prayer and confidence that you will take an active part as we labour together to see the Gospel advance and Christ glorified.

To God be the glory!

In His service and warm regards,

Haggai Malaysia Annual General Meeting – 25 May 2025

Since 2017 I have served as Honorary Secretary of HAAM, and as I take the baton from our outgoing President Ritchie, I want to sincerely thank him and the outgoing Board for leaving HAAM in such good stead.

The Lord has been using Ritchie mightily to connect with under-shepherds and leaders across denominations for the sake of the Gospel. For this reason, the Board of Haggai Alumni Malaysia Berhad has unanimously appointed him as our new Chairman, to continue serving as an effective ambassador of Haggai Malaysia. I am truly grateful that together as one Board, we remain united in purpose – to End Gospel Poverty.

We thank God for His grace and guidance in the smooth proceeding of the Annual General Meeting (AGM) held on Sunday, 25 May 2025, from 3.30 to 6.00pm. Truly, God is good, and He has provided Haggai Malaysia with faithful and committed Board Members who were unanimously nominated and elected to serve in the ministry of Haggai – to End Gospel Poverty and to make His last command our first concern.

We were especially blessed by the presence of Brother Sundar Sangma, V.P. International Ministry Development, who took time to join us. He encouraged us and reminded us from God’s Mission that although the task of Ending Gospel Poverty is daunting, we serve an extraordinary God who is our Helper.

Strengthening the Board

We also thank God that Brother Simon Siah has agreed to be co-opted into the Haggai Malaysia Board. His role will focus on helping to organize National Seminars especially among the Roman Catholic Parishes in East Malaysia, strengthening our efforts to equip leaders across the nation.

With grateful hearts, we give all glory to God for His provision and for raising more leaders to carry forward the Haggai Vision and Mission.

Kingdom Alliance 2025 — Transforming Education for the Next Generation

BY TAN SZET ANNE

Synergy and strategy: Kingdom Alliance 2025 brings together pastors, ministry workers and faith-driven leaders in landmark conference

Held on 25-26 June 2025, the two-day gathering provided a platform for leaders to share their work, forge partnerships, and explore how they might collectively advance the Gospel of Jesus Christ.

“This is not about Haggai. This is about the kingdom of God.”
— Ritchie Tay, Immediate Past President of Haggai Malaysia

As different individuals took to the stage, we obtained a remarkable snapshot of how God has been moving and working in Malaysia through the decades.

A Vision Bigger than Ourselves

The conference schedule brimmed with plenaries and roundtables, each session underscoring one unifying message: **we must work together to fulfill God’s kingdom purposes.**

Pr. Samuel Ang (Secretary-General, NECF) reminded participants that while Haggai had gathered them around the same table, the challenge ahead is to “see the same vision” together—both opportunities and threats—so that resources can be pooled for grassroots impact.

Rev. Elisha Satvinder (Co-founder, Dignity for Children Foundation) urged churches to break down walls of division, stop competing, and collaborate more: “There’s so much we can do together.”

Pastor Dato’ Dr. Daniel Ho (Founding Senior Pastor, DUMC) issued a clarion call:

“Doing God’s work requires courage. Accept and expect opposition, intimidation, and threats that cripple the work” he boomed, ringing the evangelistic call and challenging conventional mindsets about faith in the workplace.

The Voice of East Malaysia

One of the most moving moments came when the ‘Abang Sulungs’ of East Malaysia—Rev. Bina Agung (BEM), Bishop Donald Jute (Anglican Diocese of Kuching), and Bishop Richard Ng (Roman Catholic Diocese of Miri)—stood united on stage.

They called for:

- Collaboration, not charity
- Partnership through empowerment, not welfare through handouts

The leaders appealed for West Malaysians to respect indigenous culture and bridge the East-West divide, affirming that the doors remain open for shared kingdom work.

Courage to Embrace the New

Adding a unique perspective, Dato’ Sri Idris Jala (President & CEO, PEMANDU Associates) challenged participants to rethink ministry approaches:

“Transformational leadership is about disappointing people at the rate they can tolerate. If the church wants to achieve

the impossible, it cannot keep doing things the way it has been done before.”

His sobering insight pressed home the need for innovative, diverse methods of evangelism that go beyond tradition to reach the unreached.

A Fruitful Convergence

By the close of Kingdom Alliance 2025, participants left with renewed conviction, broader vision, and stronger alliances. Pastors, ministry workers, and leaders carried with them the timeless reminder: **With God, all things are possible.**

Haggai National Consultation Forum

On 27-28 June, 65 Haggai Leaders gathered at Glenmarie Hotel & Golf Resort, Shah Alam, for the long-awaited Haggai National Consultation Forum.

In attendance were Board Members, Faculty, Alumni Association Presidents, Organizing Chairpersons and Committee Members, Resident Coordinators, the Digital Team, and the National Office Staff.

It was truly **a wonderful time of worship, fellowship, consultation, and updates** on the National Seminars. Together, we press forward in unity and vision, seeking to take Haggai Malaysia ministry to another level as we continue to equip more leaders to end Gospel Poverty.

Executive Director's Report

Over the past six months, Haggai Malaysia has witnessed an unprecedented season of God's favour and open doors. We successfully completed **13 National Seminars** across the nation – in **Miri, Perak, Penang, Kota Kinabalu, Kuching, Malacca, Bintulu, and the Klang Valley**.

Significantly, the Lord has enabled us to extend our reach into smaller towns such as **Sitiawan, Gerik, Taiping, Gopeng, and Sungai Asap**, ensuring that leaders in every corner of Malaysia are being equipped and inspired. These seminars were conducted in all four major languages – Bahasa Malaysia, English, Chinese, and Tamil – a true reflection of the diversity and unity within the Body of Christ.

We thank God for all our faithful Haggai Leaders who gather faithfully every first Monday of the month to pray for the ministry of Haggai Malaysia. **We believe that the Monthly Prayer Altar is truly the power-house of this ministry** – releasing God’s power, provision, and favour, and opening doors for partnerships and collaborations that are now taking place at an accelerating pace.

Indeed, none of the Haggai Seminars over these past months would have been possible without the faithful and fervent prayer support of our Haggai Leaders. We warmly encourage more Haggai Leaders to join us at the Prayer Altar and to witness firsthand how God is answering our prayers and moving mightily through this ministry!

For the 1st time we brought HagGai National Seminar to the small town of Gerik, nestled among the hills and lakes in Perak. There are 150 OA Villages spread over the Belum Rainforest region and the need is immense to reach them with the Gospel.

Pr Thoo has been serving over the last 16 years among the Orang Asli here and she shared that all these 16 years, she could only visit 30+ villages. Her dream is that more of the OA Leaders will be equipped and inspired to be evangelists, to take the Gospel into the interior of the rainforest unreachable by us.

We thank God for the vision of Pr Stanley Yeoh for spearheading this much-needed training for the OA Leaders as BMBCC OC organized this Gerik OA NS to equip and inspire 18 OA Leaders at Gereja Doa, Gerik from 9 to 12 June 2025.

ENGLISH NATIONAL SEMINAR

By the Organizing Chairman, Frederic Fan

By the grace of God, the Wesley Parents and Teachers English National Seminar 2.0 was successfully held from 29 August to 1 September 2025.

Building on the momentum from the first seminar in March 2025, we gathered 23 participants comprising 15 teachers and staff, 6 parents, and 2 representatives from the Methodist Council of Education. With broad representation from Wesley Kuala Lumpur International and Private Schools, Methodist College Kuala Lumpur, and the Methodist Council of Education, we rejoice in seeing how God is opening new channels for His Kingdom work through Wesley institutions.

We believe God has already begun a revival of faith in our schools, stirring fresh conviction and vision in the hearts of teachers and parents alike. Many came with little or no expectation, but left

with a renewed commitment to raise the next generation with Christ-centered values, both in the classroom and in the home. The atmosphere at the close of the seminar was one of deep encouragement, as participants expressed not only gratitude but also a revived passion for the Mandate—to be faithful witnesses of Christ in education.

As we welcome these participants into the Haggai family, we invite you to join us in prayer for God’s continued work of transformation in our Wesley schools. With great anticipation, we now look forward to Wesley Parents and Teachers English National Seminar 3.0, trusting that God will bring even more educators and parents together, and that this growing movement will continue to equip, inspire, and strengthen the revival of faith within our Wesley school community.

TAMIL NATIONAL SEMINAR

By SA AA President, Pastor Subashini

The Tamil Haggai journey began in 2018, and by the grace of God, it has steadily grown to impact lives and communities across Malaysia. This year marked the 6th Tamil Haggai Seminar, held from August 29 to September 1, 2025, at Emmanuel Assembly Church, Taiping, Perak.

Remarkably, the Shah Alam Alumni Association successfully organized two Tamil seminars within a single year—a powerful testimony of God’s favor and the alumni’s unwavering commitment.

Equipping Leaders for the Great Commission

A total of 16 participants (4 male and 12 female) completed the seminar and received their certificates. They represented a wide spectrum of professions, with 15 laity and 1 clergy, reflecting the inclusivity and broad reach of the Haggai vision.

The seminar was conducted fully in Tamil, with sessions covering essential subjects such as:

- Haggai Vision & Biblical Mandate
- Stewardship & Communication
- Context & Leadership
- Discipline & Goal Setting

Led by both International and National faculty, the training spanned 24 impactful hours, equipping participants to become more effective witnesses of Christ. The program was coordinated under the leadership of Residence Coordinator Jeremy Johnson, together with a passionate alumni organizing team.

Participant Impact

The testimonies of participants reflect the depth of transformation experienced during the four days:

Sandiyao A/L Sebestian (Educational Psychologist and Special Educationist)

- "This seminar has been transformative, informative, and revisited the heartbeat of God. We need to raise as many evangelists as possible to End Gospel Poverty."

Amal Joarnathan A/L Anthonyamy (Immigration Officer)

- "Over the four days, these facilitators ripped my soul, spirit, and mind apart. I am now thinking deeply about how to impact my community with this vision and mission that has taken root in me."

Anthony Joseph A/L Muthu (Pastor)

- "I have attended many seminars, but nothing has taken me back like Haggai. Each one brought not only vision and mission but passion for the Great Commission. The spark has just begun in me and it will not die."

Thanksgiving from the Shah Alam Alumni Team

We, the Shah Alam Alumni Association, are deeply grateful to God for His unfailing grace that enabled the successful completion of this Tamil Haggai Seminar.

Our heartfelt thanks go to the dedicated facilitators, coordinators, and alumni who served with passion. Above all, we give thanks for every participant who responded to God's call and embraced the Haggai Vision and Mission with renewed fire.

We believe that the seeds planted during these four days will grow into a mighty harvest for the Kingdom of God.

It Only Takes a Spark

*“It only takes a spark, to get a fire going
And soon all those around, can warm up in glowing.”*

That is exactly what happened when Alex, Fred, and Kumar attended the Boys’ Brigade Malaysia in January 2025, and Miriam attended the Wesley Parents and Teachers National Seminar in April 2025. Through the Haggai experience, their lives were transformed, and their hearts burned with a desire for their own church members to encounter the same life-changing experience.

As Miriam shared her passion with her Pastor, Rev Goh, and the Church Council, God began to open a door for something unprecedented – the first partnership between Haggai Malaysia and Damansara Utama Lutheran Church (DULC), Petaling Jaya.

The vision: to host Haggai National Seminar at the DULC premises, equipping and inspiring church leaders and members to more effectively demonstrate and present the Gospel.

By the end of May 2025, all preparations were in place for publicity and invitations. As soon as the announcement was made, an amazing move of God began to unfold:

- Within a month, 25 church members (both English and Chinese) registered eagerly for the seminar.
- Some volunteered their time and energy to help run the program.
- Others gave generously, sponsoring part of the expenses.

This outpouring of enthusiasm and generosity was a powerful testimony of God’s grace at work in the hearts of His people. It was not just an event being planned, but a movement of the Holy Spirit, stirring the church to embrace the Great Commission in a fresh and tangible way.

Indeed, it only takes a spark – and when that spark is the Gospel, the fire it ignites will continue to spread for the edification of His Church and the expansion of His Kingdom.

- 1st Muar
- 1st Pengkalan Kempas
- 2nd, 3rd, 4th and 5th Melaka

Over the four days, participants were equipped and inspired through the Haggai curriculum, learning how to more effectively demonstrate and present the Gospel of Jesus Christ in their unique ministry contexts.

BAHASA MALAYSIA NATIONAL SEMINAR

By the National Office Staff, Susan Soong

Haggai Malaysia Interior Mission

A year ago, Bishop Richard Ng from the Diocese of Miri, Sarawak, received a vision during a Haggai Seminar in Miri for a group of Roman Catholic catechists. A year later, thirteen Haggai alumni flew into Bintulu, followed by a two-hour overland journey to the interior of Sg. Asap, Belaga, Sarawak, for a five-day Haggai National Seminar.

The Haggai-Holy Cross Belaga National Seminar was held from 12 to 16 September with a total of 85 participants, consisting of leaders from various church ministries, youth, the private sector, and the local community. The seminar was conducted in three cohorts and marked the very first Haggai Malaysia National Seminar to be organized in longhouses.

Some participants came without much expectation, yet their perspectives were changed during the seminar. For many, it was an eye-opening experience, and several suggested holding the seminar again in the near future.

A testimony from one of the participants, Ms. Madelina Anye

What truly touched my heart was about evangelism and stewardship. I admit that all this while I have been somewhat self-centred, as if only guarding my own ‘heaven’ without caring about the spiritual needs of those around me, my community, and the world at large. I was deeply moved when Facilitator Abel shared the testimony of the evangelism done by his own father.

The message on stewardship also touched me as it revealed how generous God truly is. It taught me the meaning of being honest and mindful of all the possessions entrusted to us in this world. From now on, I want to begin by correcting my own weaknesses. I will start by evangelizing to my children and my household, and then be more active in showing love and sharing my faith without fear or shame. My desire is that everyone may accept Jesus as their Saviour and personal Friend.

On the same note, both the Facilitators and the Organizing Committee were equally blessed throughout the seminar by the amazing hospitality of the local community. The visitors were welcomed with a remarkable reception program, and the graduation concluded on a high note with a memorable traditional lunch. Above all, we praise our Heavenly Father for His amazing love and grace toward everyone involved in this seminar.

All glory to Him!

Praise the Lord!

The 15th National Haggai Seminar in Kedah was successfully held at Swiss Avenue Hotel, Sungai Petani, on September 13-14 and 20-21, 2025.

A total of eleven participants from three churches came together with a shared vision, embarking on this four-day journey of grace and equipping. Their desire was to be better prepared to proclaim the Gospel and serve God more effectively in the future.

Inspired by Global Faculty

We are especially grateful for the facilitators who came from different countries. With their rich life experiences and spiritual wisdom, they inspired, encouraged, and broadened the horizons of the participants through powerful and impactful teaching.

A Journey of Transformation

Although the group was small, the four days were filled with surprises, deep insights, and fresh encounters with God. Each participant was moved by the Holy Spirit and received abundant blessings.

We believe this training will mark a new starting point in their spiritual lives. As graduates, they are now equipped to walk more faithfully on God's path, bringing glory to His name and advancing His kingdom.
