

MESSAGE FROM THE NATIONAL PRESIDENT OF HAGGAI MALAYSIA

Dear Esteemed Haggai Malaysia Alumni,

Our journey together has been marked by a shared commitment to bring the love of God to the world, a mission that continues to resonate in our hearts.

Hebrews 10:24 reminds us of the profound significance of our collective efforts: "And let us consider how we may spur one another on toward love and good deeds." In these words, we find both a challenge and an invitation—to uplift and inspire each other, as we have been called to do. Our alumni community embodies the embodiment of God's love, a beacon of light for the lost and seeking.

Through your tireless dedication and unwavering faith, we have seen lives transformed, hearts mended, and communities strengthened. The love that God has so generously demonstrated to us, we now carry forward, shining brightly into the lives of those who need it most.

As we stand united, let us be reminded of our sacred task: to equip and inspire strategically positioned leaders to present and demonstrate the gospel of hope to the lost. This calling is our distinctive privilege and responsibility. By empowering and entrusting leaders with the tools and wisdom to effectively share the message of hope, we amplify the impact of God's love in even greater measure.

I encourage each one of you to continue to seek out opportunities to support and encourage one another. Share your experiences, insights, and victories, for in doing so, we fortify the bonds that make our community so special. Let us be a source of strength and inspiration for those who may feel weary or uncertain, reminding them of the infinite love that awaits them.

May we go forth with renewed vigor, knowing that our actions echo far beyond the immediate moment, creating ripples of hope and transformation in every corner of our world.

With deepest gratitude and abiding faith,

Ritchie Tay
President, Haggai Malaysia

Testimonies Tamil National Seminar

The Haggai training held from 29th June to 4th July at Armada hotel was a transformative experience for me. It not only reaffirmed my evangelist calling but also realigned and restored the mission for our churches, especially through the Biblical Mandate subject. The other sessions like Self-discipline prompted deep reflection on my personal life, compelling me to live in a manner worthy of the Gospel.

Moreover, the leadership and communication training ignited a fresh zeal within me for evangelism and equipped me with the passion to train other evangelistic leaders in our churches. I am grateful for this life-changing opportunity that has revitalised my faith and purpose. I am excited to make a lasting impact together with Haggai for the Kingdom of God.

Greetings in the name of JESUS Christ!

On the 29th June 2023 - 4th July 2023, I had an opportunity to join the 4th Haggai National Tamil Leadership Seminar held in Hotel Armada, Petaling Jaya. The reason for me joining the seminar has completely changed the mindset and thinking on the Gospel on my last day. Day by day I do see the changes within me and also an urge of urgency implanted within me in sharing the Gospel.

Not only that, the entire classes, facilitators, and materials throughout the 6 days was very well prepared and executed. Some very important and interesting subjects were taught in the seminar such as Biblical Mandate, Context, Leadership, Communication, Stewardship and Goal Setting. These kind of subjects were very much helpful and enhanced my knowledge in all areas in sharing the gospel.

Many factors reasoned the changed in me but as a whole core factor was such an organised and professional Haggai Alumni Team which executed this and outpouring the vision into me and many other participants.

Truly blessed in all ways!

PERSONAL EVANGELISM IS DOABLE

Everything begins with God.

He sent Aaron to Moses. He sent Hanani to Nehemiah. He sent Ananias to Saul.

The Lord sent Pastor David Low to me. I deemed this as a divine appointment.

It had nothing to do with me. Haggai Seminar was not even on my radar. The only Haggai I knew was the prophet Haggai!

The divine appointment came about through my son's marriage to David's daughter. So, it was David who first introduced Haggai Seminar to me last year.

The mention of equipping God's people in personal evangelism was a clincher. Because I had a kind of holy dissatisfaction concerning event-based evangelism. Not that they are wrong or anything like that. To be sure, we have had fine in-person evangelists. However, there had been little fruit of evangelism to show. I had a yearning to see God at work in our midst, especially in evangelism.

I was willing to try out Haggai evangelism seminar after being briefed about its vision, mission and approach. Upon sharing my holy dissatisfaction (mentioned earlier) and the possibility of Haggai Seminar with my fellow leaders, I was glad they were open to join me and give Haggai Seminar a shot.

To cut the long story short, the year after (Aug-Sept 2023), Subang Methodist Church embarked on its in-house 6-day Haggai Seminar. What a great joy to see all our 15 participants being equipped to engage in personal evangelism, as they gained the confidence to share their personal salvation testimony and the gospel with others. Thank God too for their deepening conviction regarding the gospel and their growing passion for our Lord Jesus.

As for me, I recall Elder Ritchie Tay emphasised that the Haggai Seminar is not only about the presentation, but also the demonstration of the gospel. What an apt and timely exhortation!

Now, I have heard some people say "No news is good news." But I want to say "Good News is great news!" to be shared. So, let me share this story with you.

NATIONAL SEMINARS

After Day 2 of the seminar had ended, my wife (Dorothy) and I went to one of our favourite restaurants in downtown Kuala Lumpur to have a quiet dinner. Suddenly, there was this divine appointment before us! We had not planned for this.

A waiter, who used to serve us previously, came up and greeted us. Then it dawned on me to apply what we had learnt the day before. Pastor Aris Siew had taught us about the “One-Minute Witness”.

A conversation with the waiter followed:

Me: “What are you most happy about in your life?”

Waiter: “My friends in the restaurant. And you too!”

Me: “You are also our friends. May I share my happiest moment in my life with you?”

Waiter: “Yes.”

Me: “My most happy moment was when I came to know my best Friend, Jesus. May I share Him with you?”

Waiter: “Yes.”

This led to the brief sharing of the gospel concerning Jesus Christ.

Me: “Would you like to have Jesus as your Friend too, who came to save you and me from our sins and give us eternal life?”

Waiter: “Yes.”

A sinner/salvation prayer for him ensued. All glory to God!

My wife and I learnt three things that night:

† One, God opened the door for the gospel in a normal situation of life, and He set up a divine appointment for us, and we just needed to obey Him.

† Two, I was able to use the 2.5-minute testimony/sermon that I had prepared and practised during the seminar. I partnered with my wife, who reminded me of the opening question to ask the waiter. She also prayed quietly in the background as I engaged with the waiter and shared the gospel.

† Three, the things we learnt during the Haggai Seminar is doable with the help of the Holy Spirit.
