## *Message from the National President of Haggai Malaysia*

**Dear Esteemed Partners and Visionary Leaders of Haggai Malaysia,**

Greetings in the name of our Lord Jesus Christ! Together with the National Board, we are humbled by the task our Lord has entrusted us in Haggai Malaysia: the noble mission of ending gospel poverty in our beloved nation.

As we embark on this journey together, I am reminded of the three pillars that underpin our effectiveness: Accountability, Adaptability, and Affordability.

First and foremost, let us reaffirm our commitment to Accountability. We must remain steadfast in our accountability to God and to one another. This includes our spiritual accountability to the Council of Reference, our esteemed patron, generous donors, cherished alumni, and the wider Christian community. Let us hold ourselves to the highest standards of integrity and transparency as we steward the mission and resources entrusted to us for the advancement of the gospel.

Secondly, equipping our Next Generation leaders is paramount for the future, and they are predominantly found within the educational system, encompassing Teachers Training Institutes, Universities, Private International Schools, Mission Schools, and Christian Uniform Next Gen Officers like the Boys Brigade. In a world characterized by rapid change, we must remain agile and responsive to the evolving needs of our society and the Christian community in Malaysia. Let us prioritize forging connections within these institutions to gain access and effectively fulfil our mission. By collaborating with churches, para organizations, seminaries, and marketplace leaders, we can leverage our collective strengths to effectively address the challenges of gospel poverty and mobilize more labourers into the harvest field. Together, we can be the catalyst for transformation.

Lastly, but certainly not least, Affordability is key to ensuring accessibility to our training and resources. We must be prudent stewards of God's resources, both financial and human. By partnering with churches and leveraging their support, we can maximize the impact of every contribution and make our programs more accessible to a wider audience. Let us rejoice in the spirit of partnership and collaboration as we witness the tangible fruits of our collective efforts.

As we reflect on the progress of Haggai Malaysia, I am filled with gratitude for the growth and impact we have achieved together. Our goal to equip 1,000 leaders in two years is well within reach, and we are confident that with God's grace, we will surpass even our loftiest aspirations.

In the year ahead, Haggai Malaysia will, for the first time in history, God willing, conduct 20 national seminars. Looking forward to the years ahead, we anticipate continuing this momentum, believing for even greater impact and transformation in our nation. Let us press on with renewed vigour and dedication, knowing that our labour in the Lord is never in vain. May the Lord continue to bless and uphold the work of Haggai Malaysia, and may our hearts be ever inclined to His will as we labour together in His vineyard. Thank you and may God's abundant grace be upon us all.

Warm regards,

**Ritchie Tay**
